I am delighted to welcome you to the summer edition of the PTP Newsletter. Following your invaluable feedback, the PTP has changed dramatically in the last 12 months and now offers *even more* exciting content and features. With easier reporting, which can be saved to Excel at the press of a button, as well as the release of the highly anticipated HTML version of the software, delivering greater reliability, faster loading speeds and access on mobile devices, the PTP is looking better than ever!

NEW to PTP:

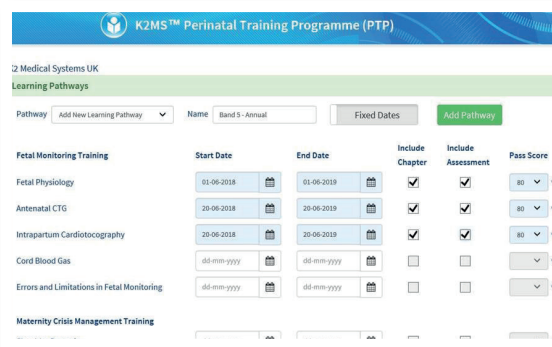

- **PTP on the move!** iPad and Tablet access enabled.
- **NEW Competency Assessment Tool.** Enables you to add *your own* questions, for your staff.
- **FREE Upgrade option to NICE '17 Guidelines & FIGO Guidelines** Available on request.
- **Create your own staff user groups in User Manager** for accurate reporting e.g. Community, New Starters, Maternity Leave.
- **New Physiology and Cord Blood Gas chapters.** A certificate for each on completion.

Hot News

Closes 31.8.18!

To ensure the very best value for your hospital or university, I can hold your current price for a further 3 years (no annual increases) and avoid any future price review during your contract period. There's no additional payment, we just send a revised/extended contract to you; payments will remain fixed and continue to be paid annually. To accept, please email kerriw@k2ms.com by 31.8.18. If you have any questions please let me know.

Learning Pathways

To Do List

NEW Learning Pathways!

Learning Pathways have received a great response and are already making a huge difference for staff and K2 Administrators. This new addition enables you to create and tailor your learning expectations for different staff groups, e.g. Band 5, Community, Doctors.

You choose the modules you'd like each staff group to complete, include any Competency Assessments, decide the pass mark and date to complete by. This creates a 'To Do List' for the staff you select for the pathway, which shows on their K2 Homepage. Your teams will always know what you expect them to complete and by when.

Reports for Learning Pathways are easy to generate from Progress Manager too! A Tutorial guide is available within Learning Pathways, but please feel free to contact me directly, or the K2 Support Team, if you have any questions. A K2 webinar will follow soon too!

Progress Manager

★ TOP TIP ★

Save to Excel, or Print directly from Progress Manager or Chapter Completions.

All progress, completions and scores can be saved to Excel! Just click **SAVE DATA**

Flexible CTG simulation options

From 9th July, you will be able to choose from Training OR Assessment Simulator without waiting 7 days to access Assessment Simulator. Both modes are available from the home page.

Training Simulator

- Allows you to select from a variety of interesting cases
- Provides feedback and expert guidance throughout each case
- You can return to the case list part way through and start a new case if you choose

Assessment Simulator

- You will be assigned a random case with the case ID withheld
- Once you complete the case, the case ID will be revealed along with your assessment scores

2018 User Group Meetings

It was great to meet so many of you in 2017, either on-site, or at the two PTP User Group meetings last October; thank you again for your valued input and participation. We started this year with three well-attended meetings in Belfast, Cork and Dublin, and I'm pleased to say that I will be hosting further User Group Meetings in Manchester, London, Birmingham, Glasgow and the North East and South West of England.

As well as discussing the above recent and exciting developments, the User Groups will focus on:

- How to achieve high levels of compliance using the K2 Perinatal Training Programme
- Improved Reporting, using Chapter Completion & Progress Manager
- Increasing & maintaining staff participation
- New Content to be released in 2018 – including Intermittent Auscultation chapter in July!
- Proposed new developments for the system – What Would Help You?

98% of all our users rate the PTP as either good or excellent so we

know we are still on the right track and are providing the very best e-learning experience possible. We are constantly developing and improving the system, however, please contact me with any questions, or feedback, to help us continue to make this award winning training system the very best it can be.

Support is available!

Our K2 Support team are available between 9am and 5pm Monday to Friday with any technical support questions on 0044 (0)1752 397800 option 1. You can also email any questions directly to support@k2ms.com.

Dates for your diary – User Group Meetings 2018

MANCHESTER	12th July	GLASGOW	3rd October
LONDON	13th July	NORTH EAST	date tbc
BIRMINGHAM	19th September	SOUTH WEST	date tbc

Still to come!

- **Intermittent Auscultation chapter:** This exciting and highly anticipated chapter is planned for release end of July – addressing the recommendations of the Saving Babies' Lives Care Bundle. **Intermittent Auscultation** will also be added to the new Competency Assessments helping to evaluate your knowledge.
- **New Training Simulator Cases:** Choose either Training or Assessment mode independently. 7-day window removed.
- **Template – Blank Competency Assessment – Create and name your own assessment. Further to your many requests:** You choose the assessment name and add the questions. Test any area of knowledge that you wish.
- **Webinars:** You will be invited to regular sessions to help discuss topical issues. I'll be interested to hear what subjects you would like covered.

Your Staff Feedback Reports Now Included!

View your own hospital's feedback reports.

Feedback requested at the end of each chapter is now available for you to see how your staff value the training. This report is sent to your hospital every 6 months, along with the Evidence of Training Report. I hope that this new information helps you to evaluate the real benefits of the K2 PTP.

If you need help with staff engagement, or maximising your K2 licence potential, please contact me on **07919 811895**, or email me at robb@k2ms.com.

I hope to see you at the User Group Meetings in 2018.

Best wishes,

To reserve your place please email kerriw@k2ms.com
