

Fetal Monitoring Training System Start-Up Guide

Starting the Training System

Address

Either open your web browser and enter the address above, or....
Double click the desktop icon (if provided)

Enter the unique Logon ID provided by your Training system Administrator, your password, and click [Sign In](#).

(Please Note: *If this is the first time you have used the Teaching Package your administrator should provide you with an initial password. You will have to change this to one of your own - of between 6 and 16 characters - when first logging in).*

The first screen displayed following logon is the main option page. This shows four image icons, each representing a Teaching Package chapter, the CTG Simulator or the Assessment Tool. Click on the icon of your choice to continue. Further [Help](#) is provided in the Teaching Package chapters.

On exiting either a chapter, the Simulator or the Assessment Tool, you are brought back to the main option page. To exit the training system altogether, click on the [Logout](#) menu option in the bottom left of the page. Your work is automatically saved as you work through each part of the training system.

See your System Administrator for further details
